IN THE COURT OF APPEALS

FIRST APPELLATE DISTRICT OF OHIO

HAMILTON COUNTY, OHIO

STATE OF OHIO,	:	APPEAL NO. C-170167
		TRIAL NO. C-17TRD-9577
Plaintiff-Appellee,	:	
		JUDGMENT ENTRY.
vs.	:	
CHRISTOPHER HLADIK,	:	
Defendant-Appellant.	:	

We consider this appeal on the accelerated calendar, and this judgment entry is not an opinion of the court. *See* Rep.Op.R. 3.1; App.R. 11.1(E); 1st Dist. Loc.R. 11.1.1.

Defendant-appellant Christopher Hladik has appealed from the trial court's entry convicting him, following a bench trial, of driving without a license in violation of R.C. 4510.12(A)(1).

In a single assignment of error, Hladik argues "[t]he trial court erred in convicting defendant-appellant, Christopher Hladik. There was no probable cause for the initial stop, and the alleged offense never occurred." Because Hladik did not file a motion to suppress or a motion to dismiss, we treat his assignment of error as a challenge to the weight and sufficiency of the evidence supporting his conviction. Hladik failed to file a transcript of the proceedings, as is required by App.R. 9(B). *See State v. Bumu*, 1st Dist. Hamilton No. C-160492, 2017-Ohio-6901, ¶ 15. Without a transcript we cannot review the evidence presented, and we must presume the

regularity of the trial court's proceedings and affirm. *Id.* at ¶ 16; *Knapp v. Edwards Laboratories,* 61 Ohio St.2d 197, 199, 400 N.E.2d 384 (1980).

Hladik also argues that he has a right to operate a motor vehicle without a license. This argument is meritless. *See State v. Matthews*, 2d Dist. Greene No. 2015-CA-73, 2016-Ohio-5055, ¶ 7.

Hladik's assignment of error is overruled, and the judgment of the trial court is affirmed.

A certified copy of this judgment entry shall constitute the mandate, which shall be sent to the trial court under App.R. 27. Costs shall be taxed under App.R. 24.

MYERS, P.J., MILLER and **DETERS, JJ.**

To the clerk:

Enter upon the journal of the court on January 19, 2018
per order of the court _____.
                              Presiding Judge
