The parties acknowledge that each parent has the present ability to cooperate and make decisions jointly with respect to the minor child(ren) and each parent. #### **2.4 Definitions: Applicable to Health Expenses and Health Insurance**

“Cash Medical.” At this time, the State of Ohio recognizes that parents spend an average of \$388.70 per year, per child on uncovered health care expenses. Therefore, the term “cash medical” is defined as \$388.70 per child, per year (as amended by statute), and the responsibility for paying this expense is allocated between the parents by income shares, as identified on Line 23 of the Child Support Worksheet.

“Cash medical support” means a dollar amount ordered to be paid in a child support order towards “ordinary medical expenses” incurred on behalf of the child(ren) identified in the parties’ child support order during a calendar year. The child support recipient’s share (Obligee) remains in his/her household, while the child support payor’s share (Obligor) is paid to the Obligee in conjunction with the child support amount ordered, **unless the child is receiving government provided healthcare at no cost to either parent.**

“Ordinary medical expenses” include copayments, deductibles and uninsured/unreimbursed medical-related costs incurred for a child named in the child support order that exceed the total cash medical support amount, including the monthly amount that is Obligee’s share, as identified on Line 28 of the Child Support Worksheet.

“Reasonable cost for health insurance” means that a plan of health insurance for the child(ren) identified in the child support order is accessible to the parent ordered to provide health care coverage at a cost of 5% or less of his/her gross annual income (identified as the “Health Insurance Maximum” on Line 8 of the Child Support Worksheet), **unless: (a) one or both parties expressly agree to provide such health insurance for the child(ren) at a cost exceeding 5% of his/her gross income; or (b) the Court finds that it is in the best interest of the parties’ child(ren) for one or both parents to provide such insurance at a cost exceeding 5% of his/her gross income as such insurance coverage will not impose an undue financial burden on the parent(s).**

## 2.5 Provision of Health Insurance for the Child(ren)

### Select the appropriate choice (I or II)

I.  Neither parent has private health insurance accessible and available at a reasonable cost for the benefit of the minor child(ren). In the event that private health insurance becomes available and accessible to either parent, at a reasonable cost, the parent to whom such insurance becomes available shall obtain such private health insurance for the child(ren) no later than 30 days after it becomes available to him or her. The parent obtaining such insurance for the child(ren) must inform the Child Support Enforcement Agency when private health care coverage for the child(ren) has been obtained. **A Shared Liability Order shall issue.**

**-OR-**

II. a.  One or both parents has/have private, accessible health insurance available for the child(ren) subject to the child support order at a reasonable cost (of 5% or less of his/her gross income); **or**

b.  Despite exceeding a reasonable cost of 5% of his/her gross income(s), \_\_\_\_\_ [INSERT name(s) of parents agreeing to provide such insurance] have/has agreed that \_\_\_\_\_ [INSERT name(s) of parents agreeing to provide such insurance] shall obtain or maintain private health insurance for the child(ren); **or**

c.  Despite exceeding reasonable cost of 5% of his/her gross income(s), the Court has determined that it is in the best interest of the child(ren) and that the cost of providing private health care coverage will not impose an undue financial burden on the parent(s); therefore, \_\_\_\_\_ [INSERT name(s) of parents being ordered to provide such insurance] shall obtain or maintain private health insurance for the child(ren).

**-and-**

d. Pursuant to O.R.C. § 3119.30, it is hereby ordered that no later than thirty (30) days after this issuance of this Order, \_\_\_\_\_ [INSERT name of party ordered or agreeing to maintain health insurance] shall maintain private health insurance for the child(ren) named in the child support order so long as this parent continues to have private health insurance coverage available at a reasonable price for the child(ren). **A Qualified Medical Child Support Order shall issue.**

**-AND- (regardless whether you select paragraph I or II above)**

This Order shall remain in effect for each child identified in the parties' child support order until each such child reaches the age of eighteen (18) and no longer attends an accredited high school on a full-time basis unless otherwise ordered. Except in cases in which a child support order requires the duty of support to continue for any period after the child reaches age nineteen (19), the order shall not remain in effect after the child reaches age nineteen (19).

## **2.6 Payment of Uninsured/Unreimbursed Extraordinary Medical Expenses**

Both parents are liable to all health care providers for their child(ren)'s uncovered

extraordinary health care expenses as defined herein according to the formula set forth below.

The Child Support Oblige, \_\_\_\_\_ is responsible for paying the first \$388.70 per year, per child for the child(ren)'s uninsured/unreimbursed health care expenses. **(This amount will be modified if there is a deviation in cash medical support, to correspond with the amount of the deviation as identified on Lines 27 and 28 of the Child Support Worksheet. A 100% deviation will result in the parents paying all uncovered health expenses proportionally, as all such expenses would be "extraordinary.")**

The remaining costs of any and all uninsured/unreimbursed medical, dental, orthodontic, optical, prescription, psychological, counseling or psychiatric expenses, including deductibles and/or co-payments under the health insurance plan for the child(ren), shall be paid \_\_\_\_\_ % by the Child Support Obligor, \_\_\_\_\_, and \_\_\_\_\_ % by the Child Support Oblige, \_\_\_\_\_. Each parent must submit to the other parent copies of all medical bills and receipts for payment as soon as each parent is in receipt of a bill/receipt so the other parent is aware of what expenses have been incurred and what expenses have been paid. Each parent should have a complete set of all the medical bills and receipts. Documentation of all such expenses shall be provided to the other parent and reconciliation of the amounts owed for reimbursement shall occur on a quarterly basis (the last day of January, April, July, and November each year).

If one parent has paid the bill in full, the other parent must pay his/her share to the parent who paid the bill within 30 days after he/she receives the receipts. If the health care provider has not been paid in full, each parent must arrange with the health care provider to direct pay his/her share within 30 days of the date that he/she receives the bill. If the bill is later reduced for any reason (insurance payment, insurance company modification, etc.), the parent who first learns of the reduction must notify the other parent immediately. Each parent's portion of the original bill will be reduced proportional to the

percentage of each parent's responsibility for the original bill. Neither parent may use the child(ren) to deliver medical bills, proof of payment, or reimbursement to the other parent.

Pursuant to O.R.C. § 3119.30, the parent(s) ordered to provide private health insurance for the child(ren) shall, not later than thirty (30) days after the issuance of the order herein, supply the other parent with information regarding the benefits, limitations and exclusions of the health care coverage, copies of any insurance forms necessary to receive reimbursement, payment, or other benefits under the health care coverage and a copy of any necessary insurance cards.
